DBE Outreach and Education Webinar

Understanding Contracting Requirements for LADOTD Projects + DBE Certification

Tuesday, December 8 | 10:00am - 12:00pm

Join the Urban League of Louisiana's Center for Entrepreneurship & Innovation on **Tuesday, December 8, 10:00am-12:00pm**, to learn more about LADOTD contracting requirements.

Contractors doing business with the LADOTD must ensure compliance to the awarded construction contract. In addition, it also important to be aware of and understand the Construction Contract Administration Manual (CCA).

The CCA Manual provides guidelines, regulations, references to standard specifications, Department Policies and Procedures, and other supporting documents that contractors should

know in the bid and performance stages of the contracting process.

During this online session, participants will learn about the most common components of a construction contract, highlights of the CCA Manual, and a review of the following documents: CS-6AAA commitment documentation, DBE/SBE supplier's agreement, DBE/SBE trucker's agreement, OMF-1A & OMF-2A forms, and the CP-1A.

This webinar will also include an overview of the LAUCP DBE Certification, including eligibility requirements and the application process.

There is no cost to attend, however registration is required. All current DBEs and aspiring DBEs are welcomed to attend. [Click Here to Register Today!](#)

6 Tips to Improve the Interview & Hire the Right Candidate

By: Angela Civitella | April 28, 2020

With the increasing need to fill more jobs in the industry, construction companies face a new problem: hiring and retaining more talent. There are several strategies every hiring manager can implement from the very first meeting with potential candidates to make sure they hire and retain the best person for the position.
