ABOUT

The Urban League of Louisiana is an affiliate of the National Urban League that works to secure economic self-reliance, parity, power, and civil rights for African Americans and others seeking equity across Louisiana. Its expansive policy platform aligns closely with the work of its three Centers of Excellence: The Center for Education and Youth Development, the Center of Workforce and Economic Development and the Center for Policy and Social Justice.

The Urban League of Louisiana developed its policy agenda for the 2021 Legislative Session by listening to residents across the state of Louisiana through statewide events including the 2019 Listen and Learn Tour, the 2019 Policy Work Groups, and the 2019 and 2021 Empowerment and Policy Conferences. The policy priorities are organized by the areas most frequently mentioned and prioritized by African Americans during these events and are also cornerstones to the Urban League's mission and work.

We are supporting bills that link to and support what people have said matters most.

VOTER EDUCATION & ENGAGEMENT
