Take Action: Get LAUCP DBE Certified for Government Contracting Opportunities

Tuesday, July 16 | 12:00pm-2:00pm CST | Virtual

Join the Urban League of Louisiana for “**Take Action: Get LAUCP DBE Certified for Government Contracting Opportunities**”, on Tuesday, July 16, 12:00pm-2:00pm, virtually.

The Disadvantaged Business Enterprise (DBE) Program was created to remedy past and current discrimination against DBE firms. The intention is to level the playing field for socially and economically disadvantaged individuals wanting to do business with the DOTD on U.S. Department of Transportation federally assisted projects.

In order to comply with regulatory mandates, LADOTD collectively joined with the Louis Armstrong New Orleans International Airport, and the New Orleans Regional Transit Authority to develop and implement uniform procedures for DBE certification – the Louisiana Unified Certification Program (LAUCP). This program eliminates the necessity for DBE firms to complete multiple applications, as certification decisions are reciprocally accepted throughout

the UCP membership in Louisiana.

During this session, attendees will **gain insights into the LAUCP DBE Certification program, including: eligibility requirements, understanding the application process, and leveraging your certification.**

This session will be facilitated by **Courtney Elzey, Principal, MCDS, LLC**. All aspiring DBEs are welcomed to attend. There is no cost to attend; however, registration is required. Register today to reserve your seat!
